

An Cathaoirleach and Each Member of Council

RE: Approval of members of Kilkenny Local Community Development Committee (LCDC)

A number of changes have occurred over the past 18 months in the membership of Kilkenny LCDC as a result of the rotation of members, resignations, nominations process's and the inclusion of a different sectoral interest (HSE) as an associate member.

The overall LCDC Structure and full membership have not changed. The full membership stands at 19- the private sector interests are 10 and the public sector interests are 9, as agreed by the CPG and the Council in 2014.

Under Section 128C (3)(b) of the Local Government Act 2001 the Local Authority is required to approve, without addition or omission, the members of the LCDC and any changes in membership.

For the sake of completeness I have outlined below the full schedule of LCDC membership.

I am requesting the approval of Council to the current membership of Kilkenny Local Community Development Committee.
