

De Minimis Form

Where you have answered “yes” to all of the State Aid questions in the Community Climate Action Programme Application, please ensure to complete this form to determine if you are eligible to receive State aid received under the De Minimis Regulation (EC) No 1998 / 2006. If the information provided below indicates you are eligible to receive funding under the De Minimis Regulation please fill out the declaration form in respect of this.

- Please provide details of all other De Minimis state aid which has been granted to your organisation, within the past three years, e.g. from a state agency, government department, Local Enterprise Office, local authority, LEADER funding etc.
- When a Granting Authority grants De Minimis aid to an undertaking, it must explicitly inform the enterprise of the De Minimis character of the aid and reference Regulation 1407/2013; this will enable the grantee to declare it in future applications for De Minimis support.
- It should be noted that a false declaration by a company resulting in the threshold of €200,000 being exceeded could later give rise to the aid being recovered with interest.

The amount of De Minimis aid received by the organisation over the last 3 fiscal years is as follows:

Funder/Organisation that provided the Aid	Amount €	Date Funding was Approved

The total amount De Minimis Aid received is:

€

If you have already reached the maximum threshold of €200,000 De Minimis state aid over the three relevant years you may not be eligible to receive funding under this programme. Please highlight this to your Community Climate Action Officer.
