

# Help **Shape the Future** of Kilmacow!

Kilkenny County Council has engaged planning consultants Turley to create a masterplan for Kilmacow, providing a blueprint to ensure it can remain a thriving settlement long into the future.

As part of this work, we want to hear your views on what you think makes Kilmacow a good place to live and what would make it better. The results of these questions will directly inform the first phase of our work to develop a new masterplan for Kilmacow.
